GIANTS IN 8TH INNING DRIVE BEAT THE YANKS

BUSH, YANK SIEGE GUN, PITCHED 8 IN- NINGS IN CONTEST

Yanks Scored One Each in Sixth and Seventh Innings and Seemed to Have the First Game of Series in Their Grasp

Driven by McGraw, the Giant Machine's Heavy Artillery Registered Four Singles Off Bush, Plus a Sacrifice Fly and Hoyt Was Put In

By United Press

SCORE BY INNINGS

	1	2	3	4	5	6	7	8	9	R	H	E
Yanks	0	0	0	0	0	1	1	0	0	2	7	0
Giants	0	0	0	0	0	0	0	3	x	3	11	3

BATTERIES—Bush, Hoyt and Schang; Nehf, Ryan and Snyder.

Polo Grounds, New York, Oct. 4.—Full of the McGraw spirit of fight, the New York Giants battled from behind here this afternoon, and took the first game of the series from the Yanks, 3 to 2. After pecking away at the fast ball of Joe Bush, the bullet hurling ace of the American League champions to the seventh inning without much luck, the Giants hopped on in the eighth inning, drove him out of the box and won the game with three runs.

Successful singles in the eighth by Bancroft, Groh, Frisch and Meusel tied the score and Young's sacrifice fly off Waite Hoyt, who was rushed to the rescue, scored Frisch with the run that won the game.

The Yanks had plenty of trouble with the southpaw Arthur Nehf until the 6th inning when they scored their first run and took the lead on a single by the great Babe Ruth. Again in the seventh inning, the Yanks tallied on Bob Meusel's single, and two errors by the Giants' defense. Bob Shawkey is expected to pitch the second game tomorrow for the Yankees and either Scott or McQuillan is expected to work for the Giants.

Polo Grounds, N. Y., Oct. 4.—The first game of Yanks-Giants world series started at New York's polo grounds. Miller Huggins, as reported from advance notices sent out, sent Joe Bullet Bush, the Brainerd siege gun, to the mound in an endeavor to secure the initial edge on the McGrawites. Bush has lost but seven games out of 38 he started this season.

McGraw put on Artie Nehf, his star twirler, who has won 19 games out of 37 starts in the National League pennant race this season and is without doubt the Giant's pitching ace.

Yankee Lineup

The lineup of the Yankees: Witt, center field; Dugan, third base; Ruth, left field; R. Meusel, right field; Pipp, first base; Schang, catcher; Ward, second base; Scott, shortstop; Bush, pitcher.

Giant Lineup

The lineup of the Giants: Bancroft, shortstop; Groh, third base; Frisch, second base; E. Meusel, left field; Young, right field; Kelly, first base; Stengel, center field; Snyder, catcher; Nehf, pitcher.

The Umpires

The umpires are: Clem at the plate; Hildebrand at first base; McCormick at second base; Owens at third base.

Game Starts at 2:04 P. M.

The game started at 2:04 p. m.

First Inning

YANKS—Witt flied to Stengel. Dugan out, Groh to Kelly. Ruth fanned swinging hard. No runs, no hits, no errors.

GIANTS—Bancroft out, Ward to Pipp on an easy bouncer. Groh singled to left. Frisch singled to left. E. Meusel up. Groh and Frisch advanced on a passed ball. Meusel grounded to Schang back of plate. Young popped to Pipp. No runs, two hits, no errors.

Second Inning

YANKS—Pipp grounded to Kelly. R. Meusel fanned. Schang singled to left on line. Ward out, Groh to Kelly. No runs, one hit, no errors.

GIANTS—Kelly fanned. Stengel out, Ward to Pipp. Snyder out, Dugan to Pipp. No runs, no hits, no errors.

Third Inning

YANKS—Scott popped to Groh. Bush flied to Bancroft who made a brilliant running catch over his shoulder in left center. Witt out, Frisch

to Kelly. No runs, no hits, no errors. GIANTS—Nehf out on grounder to Pipp unassisted. Bancroft out, Ward to Pipp. Groh hit to left center for a triple. Frisch popped to Ward in short center. No runs, one hit, no errors.

Fourth Inning

YANKS—Dugan singled. Ruth forced Dugan at second. Pipp fanned swinging and Ruth was out stealing. Snyder to Bancroft. No runs, one hit, no errors.

GIANTS—E. Meusel out, Scott to Pipp. Young fanned. Kelly singled to left. Stengel popped to Ward. No runs, one hit, no errors.

Fifth Inning

YANKS—R. Meusel singled to Bancroft. Schang sacrificed, Nehf to Kelly. Ward walked. Scott lined in to a double play. Young to Frisch. No runs, one hit, no errors.

GIANTS—Snyder out, Scott to Pipp. Nehf popped to Ward. Bancroft out, Scott to Pipp. No runs, no hits, no errors.

Sixth Inning

YANKS—Bush out, Bancroft to Kelly. Witt was safe when Meusel muffed his fly. Dugan hit to Bancroft and Witt was run down between third and home. Dugan reached second. Ruth singled to center, scoring Dugan. Young fumbled the ball and Ruth took second sliding. Pipp grounded to Kelly unassisted. One run, two hits, one error.

GIANTS—Groh walked. Frisch fouled out on the first ball. Groh was held at first. E. Meusel up. Groh out stealing. Meusel was tagged out when Schang dropped his third strike, but quickly recovered it. No runs, no hits, no errors.

Seventh Inning

YANKS—R. Meusel singled to left. Schang bunted to Nehf who threw wild to second, Meusel going to third and Schang to second. Ward flied to Stengel. Meusel scoring after the catch. Scott flied to Stengel who made a nice running catch. Schang held at second. Bush hit to Groh who tagged Schang out on the base line. One run, one hit, two errors.

GIANTS—Young flied to Ruth on an easy chance. Kelly was safe at first when Bush fell down fielding his grounder down the third base line. It was scored as a single. Stengel singled past Scott, Kelly stopping at sec-

SECRET DIPLOMATS OF OLD WORLD SEEK TO AVERT RELIGIOUS WAR

(By United Press)
Constantinople, Oct. 4.—Secret diplomats of the old world were employed in the little Marmora Sea port city of Mudania today in an effort to avert a great religious war in the Near East. Allies and Turks resumed their preliminary peace parley upon arrival of the Greek delegates whose absence yesterday caused postponement of the conference.

The world press which, since the Versailles treaty has had access to every epoch making conference of Europe, was barred. Such news as was available was given out through official channels at Constantinople.

The conferees at Mudania were reported today to be already deadlocked over the question of mutual evacuation of the neutral zone around the straits. Mustapha Kemal, it was understood, has proposed that his Ottoman troops will quit the neutral zone in exchange for British evacuation of Chanak. General Harrington, for the British government, was expected to refuse this reported offer.

Overshadowing this dispute, however, was the all important question of the disposition of Thrace. At today's session, it was reported, this matter would be first taken up.

The Greeks will refuse to evacuate Thrace, it was understood. Greece is expected to prove adamant on this point, and to present a stumbling block to peaceful procedure of negotiations at Mudania.

The Ottoman commander has made this evacuation one of his armistice conditions. The entire success of the secret conference apparently hinges on this point.

English Statement

London, Oct. 4.—The allies must occupy Thrace to prevent widespread Turkish massacre when Greek troops withdraw, former Premier Venizelos of Greece informed American Ambassadors today in a conference today.

Venizelos asked Harvey to inform Secretary of State Hughes in Washington of the situation and suggest that he press upon the allies the necessity of such occupation.

It was authoritatively stated Harvey forwarded Venizelos' plea to Hughes. Harvey will confer with Foreign Minister Curzon this afternoon to ascertain his attitude to the proposal.

Venizelos admitted to Harvey that Greek evacuation of Thrace was inevitable, but laid stress on the urgent necessity of allied soldiers marching in as the Greeks march out to stop the Turks from massacring a million Christians.

Harvey in a conference today. Venizelos asked Harvey to inform Secretary of State Hughes in Washington of the situation and suggest that he press upon the allies the necessity of such occupation.

It was authoritatively stated Harvey forwarded Venizelos' plea to Hughes. Harvey will confer with Foreign Minister Curzon this afternoon to ascertain his attitude to the proposal.

Venizelos admitted to Harvey that Greek evacuation of Thrace was inevitable, but laid stress on the urgent necessity of allied soldiers marching in as the Greeks march out to stop the Turks from massacring a million Christians.

Allied Generals Confer With Ismet

London, Oct. 4.—Allied generals and Ismet Pasha, commander of the Turkish west front forces met at Mudania today and concluded a preliminary peace agreement, according to an Exchange Telegraph dispatch from Constantinople.

It is expected the protocol will be signed today, the dispatch said.

In Secret Peace Parley

Constantinople, Oct. 4.—Allies and Turks met at Mudania in a secret peace parley and agreed to a majority of the terms of a protocol of an armistice pact, according to an official communique issued this afternoon. The session which will be preliminary to the general peace conference, in which Mustapha Kemal will personally take part, may be announced tonight if Greek representatives, who arrived a day late, acquiesce without prolonged discussion.

It was rumored that the Ankara government of Kemal has accepted the principles of the allied note sent last week. As a result of these two agreements fresh orders have been sent to the Turkish troops to avoid further conflict with the Greek or allied forces.

PRESIDENT HARDING URGES AMERICA TO AID RECONSTRUCTION

INCREASING APPEALS MADE FOR AMERICAN COOPERATION SOLVING WAR PROBLEMS

ALL HUMAN KIND DEMANDS CO- OPERATION BE EXTENDED TO A WIDER REALM

(By United Press)
New York Oct. 4.—President Harding today urged the financial interests of America to aid in the financial and economic reconstruction of the world.

In a message to the American Bankers convention, the chief executive declared the increasing appeals of the world for American cooperation in solving the problems resulting from the war "can not be denied."

These appeals, Mr. Harding said, "call for an application of the same spirit of wide and willing cooperation which is the very basis of the development of our banks."

The world and all human kinds are demanding that cooperation be extended to a wider realm," he added.

Puelicher Heads Bankers

New York, Oct. 4.—John H. Puelicher, president of the Marshall & Isley Bank, Milwaukee, was elected president of the American Bankers association at its convention here today.

Walter W. Head, president of the Omaha National Bank, was chosen first vice-president, and William E. Knox of the Bowery National Bank of New York, second vice president.

CALLED TO BRAINERD THURSDAY BY CHAIR- MAN D. D. SCHRADER

CONGRESSMAN HAROLD KNUT- SON OF ST. CLOUD WILL PLAN CAMPAIGN

LIST OF COMMITTEE MEN GIVEN, LUNCHEON TO BE AT THE RANSFORD HOTEL

D. D. Schrader, chairman of the Sixth District republican congressional committee has called a meeting of his committee for Thursday afternoon to meet with Congressman Harold Knutson and make preparations for the firing of the first guns in the coming fall campaign.

The meeting will start off with a luncheon at the Ransford hotel on Thursday noon the business session following immediately.

The members of the committee are as follows:

Thomas Brusegaard, of Hill City, Aitkin county.

I. J. Hauge of Blackduck and W. F. Lauche, of Baudette, Beltrami county.

Damon I. Bouck, of Rice, Benton county.

P. M. Larson, of Cass Lake, Cass county.

D. D. Schrader of Brainerd, Crow Wing county.

W. M. Taber, of Park Rapids, Hubbard county.

Charles Jensen, of Little Falls, Morrison county.

L. A. Dare, of Elk River, Sherburne county.

Allan R. Atwood, of St. Cloud, Stearns county.

R. A. Lee, of Long Prairie, Todd county.

M. E. Isherwood, of Sebeka, Wadena county.

SHOTGUN GUARDS WILL PROTECT TOWN NIGHTS

Fergus Falls, Oct. 4.—The village of Dalton, a small place southeast of here, is preparing to give bandits a warm reception. At a meeting of citizens, it was agreed that three men with sawed off shotguns shall stand guard in different parts of the town each night while the automobile season lasts. Citizens will take turns in this guard duty. A large number of villages in this part of the state are adopting the voluntary guard system on account of the numerous recent robberies.

American Bankers Told Great Britain Will Pay

New York, Oct. 4.—Great Britain is determined to pay in full her war debt of more than \$4,000,000,000 to the United States, Reginald McKenn, former British Chancellor of the exchequer and the leading authority on international finance declared in a speech here today to the convention of the American Bankers association.

Other European nations, however, will be able to pay only a small portion of their debts, from which he urged postponement of any debt payments.

MINNESOTAN PLAYS HIS PHONOGRAPH WITH THORN APPLE NEEDLE

Austin, Minn., Oct. 3.—Phonograph needles are grown on thorn apple bushes and appear to be byproducts of the wild crab as well—at least the needles that one Austin resident is using are taken direct from bushes and used without other preparation than drying. The long slender needles of the thorn apple require only a drying period of about two weeks, when they become hard as ebony and produce a soft tone. The point of the thorn needle used in the experiment played 12 records before it was discarded.

DEADLOCK BETWEEN 3 GROUPS OF RAIL LABOR BOARD MAKES DELAY

(By United Press.)
Chicago, Oct. 4.—A deadlock between the three groups of the railroad labor board has caused an indefinite delay of the railroad labor board's decision on the wage increase for 400,000 maintenance of way men, it was indicated today.

The three public members of the board were understood to favor a two cent an hour increase of approximately

300,000 common laborers. This would add approximately \$16,000,000 to the yearly payroll of the railroads, it was estimated.

According to reliable information, the labor group and the railroad group refuse to agree on this boost. The former hold that the increase was too small, and the latter are against any pay boost.

LOWER HALF MAN'S BODY IN RIVER

To the Dispatch by Telephone:

Little Falls, Oct. 4.—The lower half of a man's body was found in the mill canal here this afternoon. The body was so badly decomposed that there was no way of identifying it. It is believed the upper part of the body was so badly decomposed it floated away. Men are searching for it this afternoon.

From the clothes which were still on the body, it was believed he was a young man, well dressed.

RADIO FINDS STOLEN AUTO QUICKEST, SAYS LUCKY "U" STUDENT

Minneapolis, Oct. 4.—Trust in radio brought a \$1,200 car back to its garage at the home of W. E. Gibbons, 212 Walnut street S. E., radio engineering student at the University of Minnesota. Nothing else would have done it, he is firmly convinced.

Gibbons went up to his apartment to wash up, Sunday, after having given the car its weekly bath. He noticed a man standing on a nearby corner, watching him through the washing process, but thought nothing of it until he returned and found his car was gone.

Instead of notifying the police immediately, he first called the Oak Grove hotel and asked that a description of the car and report of the theft be transmitted from WLAC.

Shortly after he reached the university word came that his car had been found abandoned along the road, about a mile from Hopkins. He went out and got it and brought it home.

"Can Sherlock Holmes beat that?" he asked today.

SINGLE FUNERAL FOR FAMILY OF 6

(By United Press.)

St. Paul, Oct. 4.—A single funeral service for an entire family of six will be held tomorrow or Friday. All were killed here or fatally injured when an Omaha flyer struck the automobile Monday night.

The family was that of William Espen of Ashland, Wis., and included his wife and four children. Marvel Espen, 7, lived nearly 24 hours after the crash. Mr. and Mrs. R. D. McGee, of St. Paul, were also killed in the accident and will be buried at the same time.

Mrs. Espen was a sister of Mrs. McGee.

ASKS TO INSURE OF THREE AMERICANS

(By United Press)

Washington, Oct. 4.—Senator Sheppard, Texas, today asked the state department to take steps insuring the safety of three Americans held in prison in Juarez, Mexico, following an attempt to kidnap a man wanted for murder in Los Angeles.

In response to Sheppard's request, the department today investigated the case. Consul Dye, at Juarez, in response to inquiries from Secretary of State Hughes, said the Mexican military commander at Juarez had guaranteed the safety of the Americans from a mob surrounding the village. Dye has also requested Mexican civil officials to safeguard the Americans.

HIGH WIND MAY CAUSE FLAMES TO WIPE OUT TOWNS

IMPOSSIBLE TO ESTIMATE THE NUMBER OF FOREST FIRES, SAID OFFICIAL

NEARLY ALL OF SOUTH HALF OF ST. LOUIS COUNTY IS BATTLING FLAMES

(By United Press.)

Duluth, Oct. 4.—"A high velocity wind today will probably wipe out a number of settlements and so called towns," H. G. Weber, forestry supervisor here told the United Press early today.

There was a light south wind early this morning. The velocity always increases during the day, usually reaching a maximum in the afternoon.

"It is impossible to estimate the number of forest fires burning now," he said. "Many of them have joined and new fires are starting hourly it seems."

The fires early today spread over nearly all of the south half of St. Louis county. Other serious fires were reported westward toward the Mille Lacs district, and reports reached here of fires threatening in several places west of the iron range and along the Canadian border.

Fires were threatening in the vicinity of Ellsmere, Kelsey, Central Lake, Markham, Zimm, Cotton and Corben, all within a 24 mile square south of Virginia and Biwabik. Serious fires were burning in the area around Fairbanks.

"The situation northwest around Meadowlands is very serious," Weber reported. "From Floodwood to Meadowlands, the southwest corner of the county is alive with fires. A high velocity wind would undoubtedly cause serious damage."

"Thus far only two occupied cabins, a small saw mill, and a deserted cabin have been destroyed. The fighters have succeeded in running the flames around all other settlements. The saw mill destroyed yesterday was at the south end of Central Lake. It was only by superhuman effort that Central Lake was saved. The fire has passed around there now, and the town is in less danger. An unoccupied cabin was destroyed near Ellsmere. Two occupied settlers cabins have been burned in the Kelsey district."

"There are two serious fires in the Knife River district northeast of Duluth," he said.

2 Lives Lost in South Dakota

Aberdeen, S. D., Oct. 4.—Two lives were lost and many people burned seriously in a prairie fire late yesterday which burned from Haven to Bowdle in Wallworth and Edmunds counties, a distance of 22 miles and caused property damage on the farms which will easily exceed \$100,000.

The four mile wide wall of flame was stopped at the outskirts of Bowdle. The victims were Robert Gundert, fifteen year old school boy of Tolstoy, and Jacob Bolding, 70, a retired farmer of Bowdle.

SECRET DIPLOMATS OF OLD WORLD SEEK TO AVERT RELIGIOUS WAR

(By United Press)

Constantinople, Oct. 4.—Secret diplomats of the old world were employed in the little Marmora Sea port city of Mudania today in an effort to avert a great religious war in the Near East.

Allies and Turks resumed their preliminary peace parley upon arrival of the Greek delegates whose absence yesterday caused postponement of the conference.

The world press which, since the Versailles treaty has had access to every epoch making conference of Europe, was barred. Such news as was available was given out through official channels at Constantinople.

The conferees at Mudania were reported today to be already deadlocked over the question of mutual evacuation of the neutral zone around the straits. Mustapha Kemal, it was understood, has proposed that his Ottoman troops will quit the neutral zone in exchange for British evacuation of Chanak. General Harrington, for the British government, was expected to refuse this reported offer.

Overshadowing this dispute, however, was the all important question of the disposition of Thrace. At today's session, it was reported, this matter would be first taken up.

The Greeks will refuse to evacuate Thrace, it was understood. Greece is expected to prove adamant on this point, and to present a stumbling block to peaceful procedure of negotiations at Mudania.

The Ottoman commander has made this evacuation one of his armistice conditions. The entire success of the secret conference apparently hinges on this point.

English Statement

London, Oct. 4.—The allies must occupy Thrace to prevent widespread Turkish massacre when Greek troops withdraw, former Premier Venizelos of Greece informed American Ambassadors.

Snyder hit to Scott, who fumbled the ball and bases were filled. E. Smith batting for Nehf hit into a double play. No runs, three hits, no errors.

Eighth Inning

YANKS—Ryan now pitching for the Giants. Witt fanned. Dugan flied to Stengel. Ruth fanned looking at the last one. No runs, no hits, no errors.

GIANTS—Bancroft singled to right. Groh singled to right. Frisch singled to left, Bancroft being held at third. The bases were full. E. Meusel singled to center, scoring Bancroft and Groh and tying the score. Bush was taken out of the box and Hoyt took his place. Young flied to Witt, Frisch scoring after the catch. Kelly fanned. Stengel fanned. Three runs, 4 hits, no errors.

Ninth Inning

YANKS—Pipp singled to left. R. Meusel hit into double play. Frisch to Kelly. Schang out, Frisch to Kelly. No runs, one hit, no errors.

Telegram to the Yanks

The city editor of the Brainerd Daily Dispatch shot in this telegram to Sid Mercer, sport writer of the New York Evening Journal, just before the big game started:

"All Brainerd, Minnesota, and the Minnesota & International railway, where Joe Bush's father works as a conductor, is sure Joe Bush, the Brainerd meteor and siege gun, will do his best. His dad beat it over from the depot to get the last minute news before taking out his train. We hope he wins, but if he should lose, we know too that Joe just did his darndest to win."

Trip to Japan

In a message just received by Conductor John W. Bush, the illustrious Joe wired that he and his wife Sylvia were going to Japan after the world's series. He referred to the various details his father should write about in order that proper passports can be secured. He thanked his father for the dear head recently sent him.

sador Harvey in a conference today. Venizelos asked Harvey to inform Secretary of State Hughes in Washington of the situation and suggest that he press upon the allies the necessity of such occupation.

It was authoritatively stated Harvey forwarded Venizelos' plea to Hughes. Harvey will confer with Foreign Minister Curzon this afternoon to ascertain his attitude to the proposal.

Venizelos admitted to Harvey that Greek evacuation of Thrace was inevitable, but laid stress on the urgent necessity of allied soldiers marching in as the Greeks march out to stop the Turks from massacring a million Christians.

Allied Generals Confer With Ismet

London, Oct. 4.—Allied generals and Ismet Pasha, commander of the Turkish west front forces met at Mudania today and concluded a preliminary peace agreement, according to an Exchange Telegraph dispatch from Constantinople.

It is expected the protocol will be signed today, the dispatch said.

In Secret Peace Parley

Constantinople, Oct. 4.—Allies and Turks met at Mudania in a secret peace parley and agreed to a majority of the terms of a protocol of an armistice pact, according to an official communique issued this afternoon. The session which will be preliminary to the general peace conference, in which Mustapha Kemal will personally take part, may be announced tonight if Greek representatives, who arrived a day late, acquiesce without prolonged discussion.

It was rumored that the Ankara government of Kemal has accepted the principles of the allied note sent last week. As a result of these two agreements fresh orders have been sent to the Turkish troops to avoid further conflict with the Greek or allied forces.

PRESIDENT HARDING URGES AMERICA TO AID RECONSTRUCTION

INCREASING APPEALS MADE FOR AMERICAN COOPERATION SOLVING WAR PROBLEMS

ALL HUMAN KIND DEMANDS CO- OPERATION BE EXTENDED TO A WIDER REALM

(By United Press)

New York Oct. 4.—President Harding today urged the financial interests of America to aid in the financial and economic reconstruction of the world.

In a message to the American Bankers convention, the chief executive declared the increasing appeals of the world for American cooperation in solving the problems resulting from the war "can not be denied."

These appeals, Mr. Harding said, "call for an application of the same spirit of wide and willing cooperation which is the very basis of the development of our banks."

The world and all human kinds are demanding that cooperation be extended to a wider realm" he added.

Puelicher Heads Bankers

New York, Oct. 4.—John H. Puelicher, president of the Marshall & Isley Bank, Milwaukee, was elected president of the American Bankers association at its convention here today.

Walter W. Head, president of the Omaha National Bank, was chosen first vice-president, and William E. Knox of the Bowery National Bank of New York, second vice president.

CALLED TO BRAINERD THURSDAY BY CHAIR- MAN D. D. SCHRADER

CONGRESSMAN HAROLD KNUT- SON OF ST. CLOUD WILL PLAN CAMPAIGN

LIST OF COMMITTEE MEN GIVEN, LUNCHEON TO BE AT THE RANSFORD HOTEL

D. D. Schrader, chairman of the Sixth District republican congressional committee has called a meeting of his committee for Thursday afternoon to meet with Congressman Harold Knutson and make preparations for the firing of the first guns in the coming fall campaign.

The meeting will start off with a luncheon at the Ransford hotel on Thursday noon, the business session following immediately.

The members of the committee are as follows:

Thomas Brusegaard, of Hill City, Aitkin county.

I. J. Hauge of Blackduck and W. F. Lauche, of Baudette, Beltrami county.

Damon I. Bouck, of Rice, Benton county.

P. M. Larson, of Cass Lake, Cass county.

D. D. Schrader of Brainerd, Crow Wing county.

W. M. Taber, of Park Rapids, Hubbard county.

Charles Jensen, of Little Falls, Morrison county.

L. A. Dare, of Elk River, Sherburne county.

Allan R. Atwood, of St. Cloud, Stearns county.

R. A. Lee, of Long Prairie, Todd county.

M. E. Isherwood, of Sebeka, Wadena county.

SHOTGUN GUARDS WILL PROTECT TOWN NIGHTS

Fergus Falls, Oct. 4.—The village of Dalton, a small place southeast of here, is preparing to give bandits a warm reception. At a meeting of citizens, it was agreed that three men with sawed off shotguns shall stand guard in different parts of the town each night while the automobile season lasts. Citizens will take turns in this guard duty. A large number of villages in this part of the state are adopting the voluntary guard system on account of the numerous recent robberies.

American Bankers Told Great Britain Will Pay

New York, Oct. 4.—Great Britain is determined to pay in full her war debt of more than \$4,000,000,000 to the United States, Reginald McKenna, former British Chancellor of the exchequer and the leading authority on international finance declared in a speech here today to the convention of the American Bankers association.

Other European nations, however, will be able to pay only a small portion of their debts, from which he urged postponement of any debt payments.

MINNESOTAN PLAYS HIS PHONOGRAPH WITH THORN APPLE NEEDLE

Austin, Minn., Oct. 3.—Phonograph needles are grown on thorn apple bushes and appear to be byproducts of the wild crab as well—at least the needles that one Austin resident is using are taken direct from bushes and used without other preparation than drying. The long slender needles of the thorn apple require only a drying period of about two weeks, when they become hard as ebony and produce a soft tone. The point of the thorn needle used in the experiment played 12 records before it was discarded.

DEADLOCK BETWEEN 3 GROUPS OF RAIL LABOR BOARD MAKES DELAY

(By United Press.)

Chicago, Oct. 4.—A deadlock between the three groups of the railroad labor board has caused an indefinite delay of the railroad labor board's decision on the wage increase for 400,000 maintenance of way men, it was indicated today.

The three public members of the board were understood to favor a two cent an hour increase of approximately

300,000 common laborers. This would add approximately \$16,000,000 to the yearly payroll of the railroads, it was estimated.

According to reliable information, the labor group and the railroad group refuse to agree on this boost. The former hold that the increase was too small, and the latter are against any pay boost.

LOWER HALF MAN'S BODY IN RIVER

To the Dispatch by Telephone:

Little Falls, Oct. 4.—The lower half of a man's body was found in the mill canal here this afternoon. The body was so badly decomposed that there was no way of identifying it. It is believed the upper part of the body was so badly decomposed it floated away. Men are searching for it this afternoon.

From the clothes which were still on the body, it was believed he was a young man, well dressed.

RADIO FINDS STOLEN AUTO QUICKEST, SAYS LUCKY "U" STUDENT

Minneapolis, Oct. 4.—Trust in radio brought a \$1,200 car back to its garage at the home of W. E. Gibbons, 212 Walnut street S. E., radio engineering student at the University of Minnesota. Nothing else would have done it, he is firmly convinced.

Gibbons went up to his apartment to wash up, Sunday, after having given the car its weekly bath. He noticed a man standing on a nearby corner, watching him through the washing process, but thought nothing of it until he returned and found his car was gone.

Instead of notifying the police immediately, he first called the Oak Grove hotel and asked that a description of the car and report of the theft be transmitted from WLAC.

Shortly after he reached the university word came that his car had been found abandoned along the road, about a mile from Hopkins. He went out and got it and brought it home.

"Can Sherlock Holmes beat that?" he asked today.

SINGLE FUNERAL FOR FAMILY OF 6

(By United Press.)

St. Paul, Oct. 4.—A single funeral service for an entire family of six will be held tomorrow or Friday. All were killed here or fatally injured when an Omaha flyer struck the automobile Monday night.

The family was that of William Espen of Ashland, Wis., and included his wife and four children. Marvel Espen, 7, lived nearly 24 hours after the crash. Mr. and Mrs. R. D. McGee, of St. Paul, were also killed in the accident and will be buried at the same time.

Mrs. Espen was a sister of Mrs. McGee.

ASKS TO INSURE OF THREE AMERICANS

(By United Press)

Washington, Oct. 4.—Senator Sheppard, Texas, today asked the state department to take steps insuring the safety of three Americans held in prison in Juarez, Mexico, following an attempt to kidnap a man wanted for murder in Los Angeles.

In response to Sheppard's request, the department today investigated the case. Consul Dye, at Juarez, in response to inquiries from Secretary of State Hughes, said the Mexican military commander at Juarez had guaranteed the safety of the Americans from a mob surrounding the village. Dye has also requested Mexican civil officials to safeguard the Americans.

HIGH WIND MAY CAUSE FLAMES TO WIPE OUT TOWNS

IMPOSSIBLE TO ESTIMATE THE NUMBER OF FOREST FIRES, SAID OFFICIAL

NEARLY ALL OF SOUTH HALF OF ST. LOUIS COUNTY IS BATTLING FLAMES

(By United Press.)

Duluth, Oct. 4.—"A high velocity wind today will probably wipe out a number of settlements and so called towns," H. G. Weber, forestry supervisor here told the United Press early today.

There was a light south wind early this morning. The velocity always increases during the day, usually reaching a maximum in the afternoon.

"It is impossible to estimate the number of forest fires burning now," he said. "Many of them have joined and new fires are starting hourly it seems."

The fires early today spread over nearly all of the south half of St. Louis county. Other serious fires were reported westward toward the Mille Lacs district, and reports reached here of fires threatening in several places west of the iron range and along the Canadian border.

Fires were threatening in the vicinity of Ellsmere, Kelsey, Central Lake, Markham, Zimm, Cotton and Corben, all within a 24 mile square south of Virginia and Biwabik. Serious fires were burning in the area around Fairbanks.

"The situation northwest around Meadowlands is very serious," Weber reported. "From Floodwood to Meadowlands, the southwest corner of the county is alive with fires. A high velocity wind would undoubtedly cause serious damage."

"Thus far only two occupied cabins, a small saw mill, and a deserted cabin have been destroyed. The fighters have succeeded in running the flames around all other settlements. The saw mill destroyed yesterday was at the south end of Central Lake. It was only by superhuman effort that Central Lake was saved. The fire has passed around there now, and the town is in less danger. An unoccupied cabin was destroyed near Ellsmere. Two occupied settlers cabins have been burned in the Kelsey district."

"There are two serious fires in the Knife River district northeast of Duluth," he said.

2 Lives Lost in South Dakota

Aberdeen, S. D., Oct. 4.—Two lives were lost and many people burned seriously in a prairie fire late yesterday which burned from Haven to Bowdle in Wallworth and Edmunds counties, a distance of 22 miles and caused property damage on the farms which will easily exceed \$100,000.

The four mile wide wall of flame was stopped at the outskirts of Bowdle. The victims were Robert Gundert, fifteen year old school boy of Tolstoy, and Jacob Bolding, 70, a retired farmer of Bowdle.

THE WEATHER

Cooperative observers record:

They Weren't So Slow Then.

From the death notices of a New York paper, January 21, 1804: "In England, John Tucker, a soldier in Ashford barracks. He died at 4 o'clock in the morning; before 12 in the same day his widow was married to another man, and in the evening the happy couple followed the corpse of the first husband to the grave as chief mourners."

TALL CEDARS TO IRONTON FRIDAY

Great Interest Being Taken in Coming Ceremonial, Both on the Range and in Brainerd

CANDIDATES NUMBER THIRTY

Capt. Al Gronquist and Capt. Arch Halliday Have Rangers and Cedar Trimmers Trained

Big preparations are being made for the coming pilgrimage of Lake Region Forest, No. 58, Tall Cedars of Lebanon, to Ironton on next Friday, October 6th, at which time the lodge will hold a ceremonial at the Ironton city hall.

Great interest is being taken in this event, both on the range and in Brainerd. Crosby-Ironton has promised about fifteen saplings for initiation and Brainerd will furnish a like number. It is expected that several will be recruited from Aitkin, making one of the largest classes in the history of the lodge.

In addition to the entertainment provided for in the initiation, the Tall Cedars of the range towns are planning some extra attractions in an effort to out do their former efforts of a year ago, when one of the best ceremonials ever staged in this district was held in Ironton.

Captain Al. Gronquist has whipped his handsome Rangers into line and will be on the job with a lot of new drills and special stunts. It is reported that they will show more class than ever.

Captain Arch. Halliday and his crew of Cedar Trimmers, have their broad axes sharpened to a razor edge on both blades, and the boys are in good practice in hewing to the line.

Tall Cedar Bert Orne has announced to Grand Tall Cedar Ebert, that the seven pound boy which arrived at his house is already getting a forester's swing to his arms, and as a sapling is making rapid progress. According to Bert's tell, the young man is a cone off the old Cedar.

Very attractive notices of the Range ceremonial have been sent out, and the Brainerd Tall Cedar will over-run Ironton 100 per cent in attendance on next Friday, chopping a wide swath all the way.

NORTHWEST NEWS

(By United Press.)
At Fargo Federal Court

Fargo, Oct. 4.—Twenty-five cases will be presented to the federal grand jury sitting here today by Col. M. A. Hildreth, U. S. district attorney. The session is expected to last three days.

Included in the cases which the jury will investigate are one national bank case, liquor violations, postoffice embezzlements, violations of the income tax law, use of mails to defraud and sending of obscene matter through the mails.

A term of federal court will be held in Minot next week.

England at Dairy Show

St. Paul, Oct. 4.—England will be represented at the National Dairy Exposition here Oct. 7-14.

A. Gordon Raymond of J. Richards Ltd., dairy specialists, London, who will represent the United Dairies Limited, together with E. A. Evans, of London, will sail soon for this country to attend the exposition. Mr. Raymond notified Col. W. E. Skinner, general manager, in a letter received today.

Piemmer-Hanson

A very pretty wedding was solemnized at the A. C. Hanson home, 311 Kingwood street, when Miss Pearl Hanson became the bride of George Piemmer, in the presence of friends and relatives. Miss Myrtle Murphy acted as bridesmaid and Fred Hanson, brother of the bride, was best man. Rev. Fred Errington of the First Congregational church officiated, using the ring service.

The bride was attired in a very beautiful gown of satin and georgette, and carried a bouquet of yellow roses. The bridesmaid was also dressed in satin with a bouquet of pink carnations.

The happy couple left on the noon train for the Twin Cities where they will spend their honeymoon. They will be at home in the Mahlum flats after October 10th.

The Dispatch joins the many friends of this estimable couple in offering congratulations and best wishes for a happy and prosperous married life.

No Joy in Easy Picking.

A girl never seems to care much for a man if she thinks she can get him whenever she's ready to try.

BOYS AND GIRLS AT DAIRY SHOW

Boys and girls, members of the premier Holstein calf clubs and judging teams of the United States, will be much in evidence at the National Dairy Show to be held at the Minnesota state fair grounds, Hamline, October 7 to 14.

In addition to being given an important part on the entire week's program in the judging arena and in the exhibits of club work and demonstrations, they will take active part in a get-together luncheon to be given on the grounds at noon, Tuesday, October 10. Each boy and girl will be a guest of a Minnesota Holstein breeder on this occasion and will be given an opportunity to hear some of the most prominent men identified with Holstein progress in the northwest. E. T. Winship, Owatonna, president of the Minnesota Holstein Breeders' association, will welcome the young folks and familiarize them with the program of the week. W. S. Moscrip, of Lake Elmo, Minn., one of America's foremost Holstein judges, will be on hand to give the young people some excellent and timely pointers on livestock judging.

It is also expected that the exchange of experiences and achievements by the boys and girls themselves will form the basis for still greater progress in the promotion of better stock through calf club and junior livestock judging work during the coming year.

SENIORS ENJOY FIRST PICNIC

Refreshment Committee Had a Delicious Lunch Spread on Grass at Gilbert Lake

ALL ARE UNUSUALLY HUNGRY

This, It Seems, Has Been the Case of Every High School Senior Since First School in Town

The first picnic of the high school year was staged by the senior class at Gilbert lake, Friday, September 29th, the trip being made in cars furnished by the different members of the class.

There were many ways in which the picnickers could enjoy themselves while some went boating and others brought wood for the fire. The refreshment committee prepared a most delicious luncheon. Everyone was unusually hungry, and ate everything placed before them. The big, juicy wiener sandwiches potato salad and cakes vanished at a surprising rate.

The time went altogether too quickly and before they hardly realized it the festivities were over and each class member was back in his respective home.

Many other events are being planned for this school year especially by the seniors since it is their last season in the old B. H. S.

ONE PRINTER MAKING GOOD

(Sykeston News of Sykeston, N. D.)

We were highly honored Wednesday by receiving a call from a Mr. Grimsted of Brainerd, Minn. He used to run a newspaper in that State and we presume made a fortune as we all do in this line of work and retired to live on the interest of his delinquent subscribers. He fully demonstrated his ability as a type by setting up one of our cases and handling a stick for a few minutes. Just for a little diversion he and his friend Michael Johnson came out to this country with a Ford and have been threshing on Val Stern's machine and now that the machine has pulled in the boys left that evening for Minot where they have been promised more threshing.

Bethlehem Lutheran Men's Club

The Men's club of the Bethlehem Lutheran church will meet tomorrow evening, Thursday in the church parlors, entertained by Judge and Mrs. Gustav Halvorson and Mr. and Mrs. L. H. Conradson. Everybody welcome.

BRAINERD ELKS FACE BUSY YEAR

Candidates to Appear for Initiation on Thursday Evening, October 5 at Important Session

PREPARE FOR "MAHENDRA"

Three Shows to be Given at New Park Theatre Friday, Oct. 6, For Building Fund

The second, and busiest half, of the lodge year for Brainerd Lodge, No. 615, B. P. O. E., begins with the regular meeting scheduled for tomorrow evening, Thursday, October 5th.

This will be a very important meeting. Several candidates have notified the secretary that they will be on hand for initiation and there should be a big attendance to see that these fawns receive their anthers in the proper manner.

Final reports, plans and preparations will be gone over and completed for the appearance of "Mahendra" and his company in the

The Men's club of the Bethlehem Lutheran church will meet tomorrow evening, Thursday in the church parlors, entertained by Judge and Mrs. Gustav Halvorson and Mr. and Mrs. L. H. Conradson. Everybody welcome.

BRAINERD ELKS FACE BUSY YEAR

Candidates to Appear for Initiation on Thursday Evening, October 5 at Important Session

PREPARE FOR "MAHENDRA"

Three Shows to be Given at New Park Theatre Friday, Oct. 6, For Building Fund

The second, and busiest half, of the lodge year for Brainerd Lodge, No. 615, B. P. O. E., begins with the regular meeting scheduled for tomorrow evening, Thursday, October 5th.

This will be a very important meeting. Several candidates have notified the secretary that they will be on hand for initiation and there should be a big attendance to see that these fawns receive their anthers in the proper manner.

Final reports, plans and preparations will be gone over and completed for the appearance of "Mahendra" and his company in the

The Dairy Center of North America

Minnesota is in the exact center of North America. She leads all other states in butter production and flour milling, and is therefore called the "Bread and Butter State." She promises to take the lead in all dairy production.

Crow Wing is the central county of Minnesota, and Brainerd's oldest bank is lending its support to make this city one of the most important dairy centers.

Brainerd and Crow Wing will be well represented at the National Dairy Show at St. Paul, October 7 to 14.

OVER 2,000 IN CITY SCHOOLS

High School Enrollment Exceeds by 50 the Rolls Recorded a Year Ago in Brainerd

REPORT OF SUPT. W. C. COBB

Three New Grade Teachers Added to Personnel, Two Normal Training Schools)

(By W. C. Cobb, Superintendent of Schools)

Now that the reports of the teachers of the city schools for the first month of the new school year are in, it is possible to give an accurate statement with reference to the distribution of pupils by wards and buildings and to make accurate comparison with the enrollment of last year.

The total enrollment of the Brainerd schools is now slightly in excess of 2000 pupils, owing to new entries on Monday morning of this week. Last year the first month's enrollment was 1880 as compared with 1996, the enrollment up to last Friday night of the new year, showing an increase of 116 pupils.

The high school enrollment for the first month last year was 337 as compared with 387 this year, which shows an increase for the current year of 50 pupils. This does not include, however, the normal training department of the high school, which has enrolled 23 pupils, and makes the total high school enrollment at the present time 410.

The increase in this year's enrollment of the grades, only, over that of last year is 43 pupils distributed among the several buildings.

To provide for this increased enrollment, as far as our school building capacity would permit, three more grade teachers have been employed to care for the excess of 43 pupils, and, to care for the increase of 50 pupils in the high school, two additional teachers have been employed, besides the two normal training teachers, who give their entire time to the 23 normal training students.

The last two teachers employed in the high school did not go on duty until Monday morning of the present week and of course the classes in the high school were overcrowded greatly in places because of the increased enrollment.

The three additional teachers, to provide for the increased enrollment of 43 in the grades, place the grades in a somewhat better condition, so far as congestion is concerned, than they were in last year but, in spite of this fact, the Harrison school has a pretty full quota per teacher, although it does not exceed the limit permitted by state regulations.

The 2,000 school children enrolled in the Brainerd schools are cared for by 46 grade teachers and 20 high school and special teachers, which together with text book clerk, school nurse, eight janitors, clerk of the school board and superintendent make a total of 78 persons on the monthly pay roll.

The 2,000 children are distributed by districts as follows: Mill district enrolled 59 pupils, two teachers, number pupils per teacher 30, which is essentially the same as that of last year.

Lowell district enrolled 406 pupils, twelve teachers, average number pupils per teacher 33, essentially the same as last year.

Harrison district enrolled 322, eight teachers, average number pupils per teacher 40, the same as of last year.

Washington district, grades, enrolled 203, six teachers, average per teacher 33 as compared with an average of 40 per teacher last year.

Whittier district enrolled 244 pupils, seven teachers, average number pupils per teacher 34, as compared with an average of 36 last year, which is due to the extra teacher employed this year.

Lincoln district enrolled 280 pupils, eight teachers, average per teacher, 35, as compared with an average of 37 last year.

Riverside district enrolled 72, three teachers, average per teacher 24. Last year this one teacher school had 37 pupils.

High school, not including normal department, 387, seventeen teachers, not including the two normal training teachers, average number per pupil, 23, as compared with an average of 21 pupils per teacher last year. It must be noted that the high school until last few days has had only fifteen teachers, which fact accounted for the overcrowded classes.

The above figures are given in detail in order that any citizen may judge for himself as to the real condition with reference to school room needs in the several sections of the city. It will be apparent that the

greatest congestion exists in the Harrison school district and at the high school department. It must be noted that under state requirements forty pupils per teacher is the maximum permitted in the grades but only 30 pupils per teacher is the maximum permitted in the grades but only 30 pupils per teacher in the high school. It must further be observed that with the seventeen regular teachers in the high school, not counting the normal trainings, there are only thirteen class rooms and this includes the small typewriter room off the commercial room.

A misconception might easily exist as to the state requirements concerning for pupils per teacher. If the average per building does not exceed forty pupils per teacher, there is no infraction of the state regulation, even though certain rooms might exceed the forty limit. However, it is generally conceded that thirty-five pupils is a sufficient number for one teacher to properly care for and many educators even this figure to be entirely too large.

There are at the present time five rooms in the Brainerd schools, nearly all in the Harrison district, that have forty or more pupils to the room and about an equal number of other rooms in other buildings dangerously close to this number.

The following table gives a complete list of the teachers in the Brainerd schools by buildings, with the number of pupils actually belonging at the present time. Of the following list nineteen are newly employed grade teachers and nine newly employed high school teachers, making a total of twenty-eight new teachers employed in the Brainerd school for the current year out of a total of sixty-six teachers.

From the above figures and comparisons it will be seen that the construction of the two new outskirt school buildings, Mill and Riverside schools, during the last two years, has made it possible, in the grades, for the schools to just about hold its

own, as to school room facilities, but does not provide for any additional growth.

The three additional grade teachers this year and the two additional high school teachers just about equalizes conditions resulting from the increased enrollment.

Now that more school room facilities, and especially a new high school building, is beginning to become a real live subject in Brainerd, we would take this opportunity to suggest to any and all parents and citizens.

Take a little time off and go to one or more schools, go to all of them if you can spare the time, view the rooms in actual session, talk with the principals and teachers, go through the basements and get as much first hand knowledge, as you can, as to just what conditions are, and then you will be better able to act intelligently, when called upon to do so.

Two of the most important educational meetings of the year will be held during the present month, one coming on Thursday and Friday of this week at St. Cloud, the Central Division of the M. E. A. and the other the State Educational Association, at St. Paul, Oct. 26-27-28, one of the largest convention gatherings and organizations in Minnesota.

A larger number of Brainerd teachers will attend these meetings this year than for many years, as already about thirty grade teachers have expressed a desire to attend; if opportunity offers.

The best speaking talent of the country, from all sections of the U. S. is secured for these programs.

The enrollment of the student body of the high school by wards may be of interest at this time.

BENJAMIN A. HEUSTIS DIED AT RIPE OLD AGE

Heustis Family Removed from Canada to Brainerd in 1878, First Living on South Side

DROVE EARLY STAGE LINE
Handled Four Horse Freight Wagons Between Brainerd and Leech Lake

Benjamin A. Heustis, died at his home, 215 North 4th street, Sunday evening at the ripe old age of 86 years.

Mr. Heustis was born in Queensbury, New Brunswick, July 14, 1836. He followed the vocation of farmer while a resident of Canada. On June 7th, 1866 he was married to Miss Martha Nevers, of Southampton, New Brunswick. To this union three children were born, two of whom died in infancy, the third, Miss Maude Huestis, living at home at the time of her father's death.

The Huestis family moved from Canada to Brainerd in 1878, first living in a building upon the lots now occupied by the Gardner building, later moving to the City Hotel, and then to the present home on North 4th street, where they have resided for over forty years, this being one of the first homes built on that street.

Mr. Huestis was an excellent horseman, and always kept a stable of fine horses, the last of which he parted with only last winter.

He drove one of the first stage lines between Brainerd and Mille Lacs lake, and handled the four-horse freight wagons between this city and Leech Lake.

Mrs. Huestis' death preceded that of her husband's occurring on March 25th, 1917, one year after they had celebrated their golden wedding anniversary.

Mr. Huestis was a man of rare traits of character, very much attached to his home and his family, and spending all of his time there when not engaged in the pursuits of his business.

The funeral was held from the home Wednesday afternoon, Rev. Frederick Errington officiating, and interment made in the family lot in Evergreen cemetery.

Clara Lutheran Aid
The Ladies Aid of the Clara Lutheran church will meet Thursday afternoon at the home of Mrs. Gust Olson, 309 3rd avenue Northeast and will be entertained by Mrs. Olson and Mrs. John Walters. All members are urged to be present.

HARRY E. BROOKS HAS PASSED AWAY

Estimable Citizen, Quiet and Unpretentious, Who Made His Home Here the Past 42 Years

SUDDEN DEATH SHOCK TO MANY

First Engaged in Mercantile Business in Brainerd, Later a Traveling Salesman

In the death of Harry E. Brooks, for forty-two years a well known resident of Brainerd, the city loses an estimable citizen. Mr. Brooks was a quiet, unpretentious man, of the highest character and of strict integrity, and was esteemed and respected by all who knew him. His sudden taking off on Monday night was a great shock to a wide circle of friends and acquaintances.

He was one of the early residents of Brainerd, coming here in 1880 from his home in New York. For many years he was a clerk in the Koop Bros. grocery store and later for some time was engaged in the grocery business with E. S. Line, under the firm name of Line & Brooks, at the corner of Sixth and Front streets, where the J. F. Murphy Co's. clothing store is now located. He has been a traveling salesman for many years past, and was with the Seabury grocery house of Minneapolis at the time of his death.

About 33 years ago he was married to Miss Effie H. Halsted of this city, and they have two sons, Edgerton H. Brooks, who is manager of the city railroad ticket office in Spokane, Wash. and Neil D. Brooks, a traveling auditor on the Northern Pacific railroad, with headquarters at Missoula, Montana.

Mr. Brooks was devoted to his family, and as the "boys" were coming this month with their wives and babies, for a visit to the "old nest", he daily counted the days that were to pass before he could take the little ones in his arms and fondle them, the little ones he had never seen and, alas! was never to see—never in this world. The boys with their wives and babies are expected Thursday night or Friday morning. The time of the funeral has not yet been decided upon, but will probably be Friday afternoon.

DR. H. C. SWEARINGEN

Dr. H. C. Swearingen, pastor of House of Hope Presbyterian church, St. Paul, is to be one of the speakers at the coming annual convention of the Minnesota Sunday School Association.

Dr. Swearingen was moderator of the general assembly of his church in 1921-22. This is the highest honor possible to a man in the Presbyterian denomination.

Those who have heard Dr. Swearingen know of his splendid ability as a speaker and an interpreter of world events.

His sermon to be given Sunday evening, October 22nd, on "The Liberty of Bondage" will be a trenchant discussion of economic conditions in the light of Christian philosophy and one that will be heard with profit by all.

James C. Garrison, state superintendent of the Sunday School Association, is in the city in the interests of the meet, and reports a lively interest in the convention on the part of the county associations that are auxiliary to the state organization.

Brainerd is making great preparations to welcome and entertain the many visitors and delegates who will be here from all over the state for the convention on October 19 to 22.

JERRY HOGAN WAS KILLED IN ACCIDENT

Hit by a Truck in Cooperstown, N. D. Remains Brought Home on Tuesday

LEAVES 4 SONS, 1 DAUGHTER

Was a Devout Catholic and Member of St. Francis Catholic Church

Jerry Hogan, for many years a resident of Brainerd, was killed in Cooperstown, N. D., Sunday morning, October 1st, having been hit by a truck. The remains were brought back to Brainerd Tuesday for burial.

Mr. Hogan was born in Cobourg, Canada, and at the time of his death was 71 years old.

He is survived by four sons, Michael, of Duluth, John H. of Davenport, Iowa; Edward H. of Akron, Ohio, and W. J. Hogan of Brainerd. There is also one daughter, Mrs. Clem Willis of Duluth. Another daughter died a number of years ago at the age of 16. His wife preceded her husband in death eighteen years ago.

Mr. Hogan was a devout Catholic, and a member of the Ancient Order of Hibernians.

The funeral will be conducted on Thursday morning at 8:30 o'clock from St. Francis Catholic church, Rev. James Hogan officiating, and interment will be made in Evergreen cemetery.

Westminster Guild

The meeting of the Westminster Guild of the First Presbyterian church, which was to have been held Wednesday evening at the home of Miss Marion Opsahl, has been postponed until further notice, on account of the arrival of Mrs. Anna Dickie Olson, who will speak in the city this evening.

OVER 2,000 IN CITY SCHOOLS

High School Enrollment Exceeds by 50 the Rolls Recorded a Year Ago in Brainerd

REPORT OF SUPT. W. C. COBB

Three New Grade Teachers Added to Personnel, Two Normal Training Schools

(By W. C. Cobb, Superintendent of the city schools for the first month of the new school year are in, it is possible to give an accurate statement with reference to the distribution of pupils by wards and buildings and to make accurate comparison with the enrollment of last year.

The total enrollment of the Brainerd schools is now slightly in excess of 2000 pupils, owing to new entries on Monday morning of this week. Last year the first month's enrollment was 1880 as compared with 1996, the enrollment up to last Friday night of the new year, showing an increase of 116 pupils.

The high school enrollment for the first month last year was 337 as compared with 387 this year, which shows an increase for the current year of 50 pupils. This does not include, however, the normal training department of the high school, which has enrolled 23 pupils, and makes the total high school enrollment at the present time 410.

The increase in this year's enrollment of the grades, only, over that of last year is 43 pupils distributed among the several buildings.

To provide for this increased enrollment, as far as our school building capacity would permit, three more grade teachers have been employed to care for the excess of 43 pupils, and, to care for the increase of 50 pupils in the high school, two additional teachers have been employed, besides the two normal training teachers, who give their entire time to the 23 normal training students.

The last two teachers employed in the high school did not go on duty until Monday morning of the present week and of course the classes in the high school were overcrowded greatly in places because of the increased enrollment.

The three additional teachers, to provide for the increased enrollment of 43 in the grades, place the grades in a somewhat better condition, so far as congestion is concerned, than they were in last year but, in spite of this fact, the Harrison school has a pretty full quota per teacher, although it does not exceed the limit permitted by state regulations.

The 2,000 school children enrolled in the Brainerd schools are cared for by 46 grade teachers and 20 high school and special teachers, which together with text book clerk, school nurse, eight janitors, clerk of the school board and superintendent make a total of 78 persons on the monthly pay roll.

The 2,000 children are distributed by districts as follows: Mill district enrolled 59 pupils, two teachers, number pupils per teacher 30, which is essentially the same as that of last year.

Lowell district enrolled 406 pupils, twelve teachers, average number pupils per teacher 33, essentially the same as last year.

Harrison district enrolled 322, eight teachers, average number pupils per teacher 40, the same as of last year.

Washington district, grades, enrolled 203, six teachers, average per teacher 33 as compared with an average of 40 per teacher last year.

Whittier district enrolled 244 pupils, seven teachers, average number pupils per teacher 34, as compared with an average of 36 last year, which is due to the extra teacher employed this year.

Lincoln district enrolled 280 pupils, eight teachers, average per teacher, 35, as compared with an average of 37 last year.

Riverside district enrolled 72, three teachers, average per teacher 24. Last year this one teacher school had 37 pupils.

High school, not including normal department, 387, seventeen teachers, not including the two normal training teachers, average number per pupil, 23, as compared with an average of 21 pupils per teacher last year. It must be noted that the high school until last few days has had only fifteen teachers, which fact accounted for the overcrowded classes.

The above figures are given in detail in order that any citizen may judge for himself as to the real condition with reference to school room needs in the several sections of the city. It will be apparent that the

greatest congestion exists in the Harrison school district and at the high school department. It must be noted that under state requirements forty pupils per teacher is the maximum permitted in the grades but only 30 pupils per teacher is the maximum permitted in the grades but only 30 pupils per teacher in the high school. It must further be observed that with the seventeen regular teachers in the high school, not counting the normal training, there are only thirteen class rooms and this includes the small typewriter room off the commercial room.

A misconception might easily exist as to the state requirements concerning for pupils per teacher. If the average per building does not exceed forty pupils per teacher, there is no infraction of the state regulation, even though certain rooms might exceed the forty limit. However, it is generally conceded that thirty-five pupils is a sufficient number for one teacher to properly care for and many educators even this figure to be entirely too large.

There are at the present time five rooms in the Brainerd schools, nearly all in the Harrison district, that have forty or more pupils to the room and about an equal number of other rooms in other buildings dangerously close to this number.

The following table gives a complete list of the teachers in the Brainerd schools by buildings, with the number of pupils actually belonging at the present time. Of the following list nineteen are newly employed grade teachers and nine newly employed high school teachers, making a total of twenty-eight new teachers employed in the Brainerd school for the current year out of a total of sixty-six teachers.

BENJAMIN A. HEUSTIS DIED AT RIPE OLD AGE

Heustis Family Removed from Canada to Brainerd in 1878, First Living on South Side

DROVE EARLY STAGE LINE
Handled Four Horse Freight Wagons Between Brainerd and Leech Lake

Benjamin A. Heustis, died at his home, 215 North 4th street, Sunday evening at the ripe old age of 86 years.

Mr. Heustis was born in Queensbury, New Brunswick, July 14, 1836. He followed the vocation of farmer while a resident of Canada. On June 7th, 1866 he was married to Miss Martha Nevers, of Southampton, New Brunswick. To this union three children were born, two of whom died in infancy, the third, Miss Maude Huestis, living at home at the time of her father's death.

The Huestis family moved from Canada to Brainerd in 1878, first living in a building upon the lots now occupied by the Gardner building, later moving to the City Hotel, and then to the present home on North 4th street, where they have resided for over forty years, this being one of the first homes built on that street.

Mr. Huestis was an excellent horseman, and always kept a stable of fine horses, the last of which he parted with only last winter.

He drove one of the first stage lines between Brainerd and Mille Lacs lake, and handled the four-horse freight wagons between this city and Leech Lake.

Mrs. Huestis' death preceded that of her husband's occurring on March 25th, 1917, one year after they had celebrated their golden wedding anniversary.

Mr. Huestis was a man of rare traits of character, very much attached to his home and his family, and spending all of his time there when not engaged in the pursuits of his business.

The funeral was held from the home Wednesday afternoon, Rev. Frederick Errington officiating, and interment made in the family lot in Evergreen cemetery.

Clara Lutheran Aid
The Ladies Aid of the Clara Lutheran church will meet Thursday afternoon at the home of Mrs. Gust Olson, 309 3rd avenue Northeast and will be entertained by Mrs. Olson and Mrs. John Walters. All members are urged to be present.

HARRY E. BROOKS HAS PASSED AWAY

Estimable Citizen, Quiet and Unpretentious, Who Made His Home Here the Past 42 Years

SUDDEN DEATH SHOCK TO MANY

First Engaged in Mercantile Business in Brainerd, Later a Traveling Salesman

In the death of Harry E. Brooks, for forty-two years a well known resident of Brainerd, the city loses an estimable citizen. Mr. Brooks was a quiet, unpretentious man, of the highest character and of strict integrity, and was esteemed and respected by all who knew him. His sudden taking off on Monday night was a great shock to a wide circle of friends and acquaintances.

He was one of the early residents of Brainerd, coming here in 1880 from his home in New York. For many years he was a clerk in the Koop Bros. grocery store and later for some time was engaged in the grocery business with E. S. Line, under the firm name of Line & Brooks, at the corner of Sixth and Front streets, where the J. F. Murphy Co's. clothing store is now located. He has been a traveling salesman for many years past, and was with the Seabury grocery house of Minneapolis at the time of his death.

About 33 years ago he was married to Miss Effie H. Halsted of this city, and they have two sons, Edgerton H. Brooks, who is manager of the city railroad ticket office in Spokane, Wash., and Neil D. Brooks, a traveling auditor on the Northern Pacific railroad, with headquarters at Missoula, Montana.

Mr. Brooks was devoted to his family, and as the "boys" were coming this month with their wives and babies, for a visit to the "old nest", he daily counted the days that were to pass before he could take the little ones in his arms and fondle them, the little ones he had never seen and, alas! was never to see—never in this world. The boys with their wives and babies are expected Thursday night or Friday morning. The time of the funeral has not yet been decided upon, but will probably be Friday afternoon.

DR. H. C. SWEARINGEN

Dr. H. C. Swearingen, pastor of House of Hope Presbyterian church, St. Paul, is to be one of the speakers at the coming annual convention of the Minnesota Sunday School Association.

Dr. Swearingen was moderator of the general assembly of his church in 1921-22. This is the highest honor possible to a man in the Presbyterian denomination.

Those who have heard Dr. Swearingen know of his splendid ability as a speaker and an interpreter of world events.

His sermon to be given Sunday evening, October 22nd, on "The Liberty of Bondage" will be a trenchant discussion of economic conditions in the light of Christian philosophy and one that will be heard with profit by all.

James C. Garrison, state superintendent of the Sunday School Association, is in the city in the interests of the meet, and reports a lively interest in the convention on the part of the county associations that are auxiliary to the state organization.

Brainerd is making great preparations to welcome and entertain the many visitors and delegates who will be here from all over the state for the convention on October 19 to 22.

JERRY HOGAN WAS KILLED IN ACCIDENT

Hit by a Truck in Cooperstown, N. D. Remains Brought Home on Tuesday

LEAVES 4 SONS, 1 DAUGHTER

Was a Devout Catholic and Member of St. Francis Catholic Church

Jerry Hogan, for many years a resident of Brainerd, was killed in Cooperstown, N. D., Sunday morning, October 1st, having been hit by a truck. The remains were brought back to Brainerd Tuesday for burial.

Mr. Hogan was born in Cobourg, Canada, and at the time of his death was 71 years old.

He is survived by four sons, Michael, of Duluth, John H. of Davenport, Iowa; Edward H. of Akron, Ohio, and W. J. Hogan of Brainerd. There is also one daughter, Mrs. Clem Willis of Duluth. Another daughter died a number of years ago at the age of 16. His wife preceded her husband in death eighteen years ago.

Mr. Hogan was a devout Catholic, and a member of the Ancient Order of Hibernians.

The funeral will be conducted on Thursday morning at 8:30 o'clock from St. Francis Catholic church, Rev. James Hogan officiating, and interment will be made in Evergreen cemetery.

Westminster Guild

The meeting of the Westminster Guild of the First Presbyterian church, which was to have been held Wednesday evening at the home of Miss Marion Opsahl, has been postponed until further notice, on account of the arrival of Mrs. Anna Dickie Olson, who will speak in the city this evening.

ASK for Horlick's The ORIGINAL Malted Milk Safe Milk For Infants, Invalids & Children The Original Food-Drink for All Ages. Quick Lunch at Home, Office & Fountains. Rich Milk, Malted Grain Extract in Powder & Tablet forms. Nourishing—No cooking. Avoid Imitations and Substitutes

SKIN DISEASE

Any skin disease such as acne, eczema, psoriasis, etc., is very unpleasant, but if the organs of elimination are working properly there will be no skin disease. If there is subluxation (displacement) of the vertebrae (small bones of the spine), causing nerve pressure and preventing the vital force from flowing freely to the kidneys, the latter will not function properly and the excretion will be thrown off by the pores of the skin, causing eczema and similar disorders. TRY CHIROPRACTIC VERTEBRAL ADJUSTMENTS for skin trouble and keep your eliminatory organs "up to par."

DRAFTING EVERYBODY FOR WAR

THE military affairs committee of the American Legion will introduce a proposal for a universal draft, to become effective immediately after a declaration of war, before the convention of this organization assembled at New Orleans, October 16-20.

This suggestion finds multitudes of Americans ready to give it their whole-hearted approval. The soldiers who served in the world war, and who, by their service, were denied the opportunity of money-making which fell to those who remained at home, will enthusiastically get behind it. The failure of the proposed measure to give them adjusted compensation will act as a spur to such action as this. The public that has been reading of the deliberate and deplorable methods used by the profiteers to increase their profits at the expense of the government of the United States, is ready to get behind such a recommendation. Labor will not be slow to put its influence behind such a measure when it is introduced in the congress of the United States, for labor has not yet forgotten the promises made during the war but broken soon after the war was over. In fact the real human interests of America will cooperate in attempting to make a law of just such a bill as this.

However, this suggestion will meet with strong opposition from leaders of industrial enterprises whose dividends are fattened at the expense of the soldiers when a war has been declared by the government. It will be fought by the large money interests of the land who would by its passage be robbed of their chance to make enormous fortunes by the inflation that accompanies war. The measure will not become law until a serious struggle has been undertaken, in which justice will be pitted against interests; but, in the end, there is reason to hope that right will triumph. There must be no pets in the next war. Its character may be such that there will not be any. But whether the operations of war determine that all interests must submit to the control of Mars or not, nevertheless, the law of the land should require that everything that can in any way contribute to national defense pass into the control and operation of the government of the United States. This will do much to check the likelihood of war and, at the same time, if war broke out, would promote that preparedness which is necessary in war and without which many lives are needlessly sacrificed. The story of the last war that taught America in such a state of unpreparedness carries a lesson that must not be forgotten by the government of the United States. So long as a police force or a fire department are needed they should be thoroughly equipped for their duties—and the same is true of armies. It remains to be seen what attitude congress will take when such legislation is submitted. In a recent decision, this body has not shown that it was inspired by the desire to do equal justice, by adjusting the compensation of those who by service in their country's cause sacrificed their own advantage. They were willing to pay the compensation but were not willing to find a means for paying it. They showed that they were out to please one party but just as truly interested in not offending the other party. Their attempt to straddle the fence has not been a successful one. But perhaps it is well that they did not pay a bonus. Out of the injustice suffered by the ex-service man there will come just recommendations as the one under consideration, which will not right past wrongs but serve to prevent the wrongs of the past from recurring in the future.

President Harding expressed himself as in sympathy with just such legislation in his inaugural address:

"I can vision the ideal republic, where every man and woman is called under the flag for assignment to duty for whatever service, military or civic, the individual is best fitted; where we may call to universal service every plant, agency, or facility, all in the sublime sacrifice for country, and not one penny of war profit shall inure to the benefit of private individual, corporation, or combination, but all above the normal shall flow into the defense chest of the nation. There is something inherently wrong, something out of accord with the ideals of representative democracy, when one portion of our citizenship turns its activities to private gain amid defensive war while another is fighting, sacrificing, or dying for national preservation."

STATE TAXES

THAT is an interesting story that tells of the man in Progress, Carlton county, who wrote to the state auditor early in this year stating that the taxes were so high that the auditor might take all of his property, including his clothing, instead of the amount assessed on his property.

In his complaint he was blaming the state of Minnesota for the high tax, and he had not seen that it is not the state but the local taxation that is heavy.

Here are some of the facts as disclosed by the state auditor. The total taxes levied in the town of Progress and collectible in 1922 are \$14,157.08. The state receives \$302.40 of this amount, the county \$1,055.94, school district No. 13 \$4,069.24. However, to the township of Progress there goes \$8,729.53.

In this man's case, of his total tax of \$10.42 less than 22 cents went to the state and of this amount 10 cents comes back to Carlton county for schools and roads.

Discussions of questions of taxation show that the taxpayer is not always well advised as to the purposes for which his money is expended and as to the proportions that go to the various local, state, and national funds, that are benefitted by taxation.

Right at this time there is a very general cry against the large and increasing expenditures in the state of Minnesota and over the high taxes which result, while a careful study of the way the taxes are apportioned would show that the burden on the taxpayer is not so much the national or state burden as it is a local burden.

The man whose case has been described above lives in a town named Progress. The citizens in that town are evidently out to keep it true to its name and they are required to pay for the improvements which they themselves vote. More than half of the total tax that he had to pay was levied by vote of the people of the township in their own meeting.

MOVING PICTURE EVIDENCE OF GOLF FORM NOT ALWAYS TRUTH

Harry Vardon, Whose Play Personifies Golf Form.

Motion pictures of golfers in action are really very interesting, especially when run slowly so that one can study them more closely, writes P. A. Valle in the Chicago Herald-Examiner.

I want, however, to warn players and beginners, especially, against believing all that the "movies" show them.

Camera Is Liar.

It is an old gag that the camera cannot lie. Well, we all know that it not only can, but does. We also know that the moving picture camera has the ordinary camera beaten out of sight as a prodigious liar.

I am led to these remarks by a recollection of some moving pictures of Harry Vardon, whose play personifies golf form, if anybody's does.

This great player is shown clearly dragging his hands away, in the upward swing before the clubhead has left the ball.

Now, it might sound foolish merely

to say that I do not believe the pictures give a correct representation of what takes place. Therefore, let me give an illustration of the ability of the ordinary camera as a liar.

Anyone who cares to may see in "Great Tennis Players" several pictures of players serving or smashing with the racket having a most pronounced bend forward.

Trick of Shutter.

Anyone with any common sense must know that if there were any bend to the racket at all it would be backward, yet here the camera shows it to be clearly a forward bend, and mark you, these pictures were taken at the rate of one twelve hundred and fiftieth of a second. It is merely a trick of the focal plane shutter.

Therefore, do not implicitly accept any moving picture evidence of golf form that is repugnant to reason or the best teaching without most thoroughly sifting the evidence.

AUTO TRACTOR SCHOOL

Manufacturing Committee of Chamber of Commerce Has Meeting on Monday Evening

The manufacturing committee of the Chamber of Commerce held a meeting in the club rooms Monday night to take up the matter of locating an auto and tractor school in this city. The members of the committee present were Mons Mahlum, chairman, Henry I. Cohen, Ben Armstrong and E. O. Webb.

H. W. Adams, formerly connected with the Dunwoody Institute, is desirous of putting in an auto and tractor school in Brainerd, and brought his proposition up before the last regular meeting of the Chamber.

By motion of the Chamber, the matter was referred to the manufacturing committee, who in their meeting Monday evening discussed the proposition thoroughly, and decided to adjourn until a later date, when it might be possible to call Mr. Adams in conference, and to get details of his plans.

Brainerd would make an ideal location for such an institution, being centrally located and with a good territory from which to draw. The common use of the automobile and the tractor emphasize the necessity of and the importance of a thorough knowledge of their mechanism by all operators.

Insurance Will Cover It.

An inheritance tax is a mortgage that matures at death.—Exchange.

OTHER PEOPLES OPINIONS
COMMUNICATION

Editor Dispatch:

The city council is the legislative body of the city, and upon their judgment, foresight and business capacity depends largely the development and progress of the city, and also the safety of our people. I have been keeping tab on the city council here for more than 40 years and while it may not be in good form to make a statement like this through the press, still I believe in the principle of giving credit where credit is due and I do not hesitate to say that the record of the present council ranks far above its average during the 40 years mentioned. Basing my opinion solely on their record I cannot believe that they will grant a permit for a filling station at the corner of 6th and Laurel, which is easily the most prominent corner from a traffic standpoint in the entire city. Personal friendships should not, and I believe will not be taken into consideration at all, and the best interests of the city and the safety of the public will govern.

To grant this permit would not be in keeping with the present council's record.

AUCTION FEATURE OF MEET

Pelican Better Farming Club Interested in Rural Credits System, Business Men Awake

The Niswam Farm Bureau Unit will hold its regular meeting Wednesday at the home of Saul Marquis on Pelican lake.

One of the features of this meeting will be the auction in which each member may sell anything they want to dispose of, the auction being in the nature of an exchange sale.

The Pelican Better Farming Club met Tuesday at the A. J. Nelson farm. The meeting took up the matter of attending the National Dairy Show at the State Fair grounds. Amendment No. 1, relative to a system of Rural Credits was discussed at length, inasmuch as this important amendment comes up to be voted upon at the coming election.

Alfalfa growing came in for its share of attention, a number of farmers planning to raise this product next season. The club made arrangements for buying a car load of mixed feed.

The Twin Lakes Farm Bureau Unit meets Thursday at the Theodore Erickson farm home, south of Pequot. A very interesting program has been prepared.

The business men of Brainerd have a standing invitation to attend these various club meetings, and in doing so will come into closer touch with their farmer friends. A number are already finding it to their advantage to attend the meetings, and more are urged to start the practice.

Chronology of the Bonus Bill

March 16—The bill was reported to the House by the Ways and Means Committee.

March 23—The House passed the measure, 333 to 70.

June 8—It was reported to the Senate by the Finance Committee.

August 31—The Senate by a vote of 47 to 22, passed the bill.

Sept. 1—The measure was sent to conference.

Sept. 14—The House, without a record vote, approved the conference report.

Sept. 15—The Senate approved the conference report, 36 to 17.

Sept. 19—President Harding's veto message was read in the House.

Legal Fiction.

A fiction in law is an assumption made for the purpose of justice though the same fact could not be proved and may be literally untrue, and it is a rule that a fiction of law shall not be wrong. The fictitious character of John Doe and Richard Roe for the purposes of various actions are well known.

Anyone who cares to may see in "Great Tennis Players" several pictures of players serving or smashing with the racket having a most pronounced bend forward.

Trick of Shutter.

Anyone with any common sense must know that if there were any bend to the racket at all it would be backward, yet here the camera shows it to be clearly a forward bend, and mark you, these pictures were taken at the rate of one twelve hundred and fiftieth of a second. It is merely a trick of the focal plane shutter.

Therefore, do not implicitly accept any moving picture evidence of golf form that is repugnant to reason or the best teaching without most thoroughly sifting the evidence.

TOURISTS HERE IN FALL

St. Paul, Minneapolis, Duluth, Iowa, New York People at Breezy Point

The following is a list of the recent guests registered at Breezy Point Lodge, showing that September and October months are coming to be appreciated:

Mr. and Mrs. W. F. Robertson, Minneapolis.
A. C. Cragg, St. Paul.
Caryl Spiller, St. Paul.
Geo. K. Gann, St. Paul.
Mr. and Mrs. A. E. Hilberg, Minneapolis.

J. Tiffany, New York City.
T. A. McMeekin, St. Paul.
T. F. Quinn, St. Paul.
C. B. Wilson, Minneapolis.

Miss E. V. Anderson, Duluth.
J. H. Coates, St. Paul.
F. D. Benton, Minneapolis.
W. C. Olson and wife, Minneapolis.

C. W. Pickett, Minneapolis.
J. S. McGrath, Minneapolis.
C. J. Ehrmantraut and family, St. Paul.

Missionary Society

Foreign Missionary Society of the Methodist Episcopal church will meet Thursday, Oct. 5th at 3 o'clock in the church parlors. The study book on the Negro will be begun. A cordial welcome is extended to all.

AUTO TRACTOR SCHOOL

Manufacturing Committee of Chamber of Commerce Has Meeting on Monday Evening

The manufacturing committee of the Chamber of Commerce held a meeting in the club rooms Monday night to take up the matter of locating an auto and tractor school in this city. The members of the committee present were Mons Mahlum, chairman, Henry I. Cohen, Ben Armstrong and E. O. Webb.

H. W. Adams, formerly connected with the Dunwoody Institute, is desirous of putting in an auto and tractor school in Brainerd, and brought his proposition up before the last regular meeting of the Chamber.

By motion of the Chamber, the matter was referred to the manufacturing committee, who in their meeting Monday evening discussed the proposition thoroughly, and decided to adjourn until a later date, when it might be possible to call Mr. Adams in conference, and to get details of his plans.

Brainerd would make an ideal location for such an institution, being centrally located and with a good territory from which to draw. The common use of the automobile and the tractor emphasize the necessity of and the importance of a thorough knowledge of their mechanism by all operators.

Insurance Will Cover It.

OTHER PEOPLES OPINIONS

COMMUNICATION

Editor Dispatch:

The city council is the legislative body of the city, and upon their judgment, foresight and business capacity depends largely the development and progress of the city, and also the safety of our people. I have been keeping tab on the city council's record for more than 40 years and while it may not be in good form to make a statement like this through the press, still I believe in the principle of giving credit where credit is due and I do not hesitate to say that the record of the present council ranks far above its average during the 40 years mentioned. Basing my opinion solely on their record I cannot believe that they will grant a permit for a filling station at the corner of 6th and Laurel, which is easily the most prominent corner from a traffic standpoint in the entire city. Personal friendships should not, and I believe will not be taken into consideration at all, and the best interests of the city and the safety of the public will govern.

To grant this permit would not be to keep it with the present council's record.

C. A. KRECH

AUCTION FEATURE OF MEET

Pelican Better Farming Club Interested in Rural Credits System, Business Men Awake

The Niswam Farm Bureau Unit will hold its regular meeting Wednesday at the home of Saul Marquis on Pelican lake.

One of the features of this meeting will be the auction in which each member may sell anything they want to dispose of, the auction being in the nature of an exchange sale.

The Pelican Better Farming Club met Tuesday at the A. J. Nelson farm. The meeting took up the matter of attending the National Dairy Show at the State Fair grounds. Amendment No. 1, relative to a system of Rural Credits was discussed at length, inasmuch as this important amendment comes up to be voted upon at the coming election.

Alfalfa growing came in for its share of attention, a number of farmers planning to raise this product next season. The club made arrangements for buying a car load of mixed feed.

The Twin Lakes Farm Bureau Unit meets Thursday at the Theodore Erickson farm home, south of Pelican. A very interesting program has been prepared.

The business men of Brainerd have a standing invitation to attend these various club meetings, and in doing so will come into closer touch with their farmer friends. A number are already finding it to their advantage to attend the meetings, and more are urged to start the practice.

Chronology of the Bonus Bill

March 16—The bill was reported to the House by the Ways and Means Committee.

March 23—The House passed the measure, 333 to 70.

June 8—It was reported to the Senate by the Finance Committee.

August 31—The Senate by a vote of 47 to 22, passed the bill.

Sept. 1—The measure was sent to conference.

Sept. 14—The House, without a record vote, approved the conference report.

Sept. 15—The Senate approved the conference report, 36 to 17.

Sept. 19—President Harding's veto message was read in the House.

Legal Fiction.

A fiction in law is an assumption made for the purpose of justice though the same fact could not be proved and may be literally untrue, and it is a rule that a fiction of law shall not be wrong. The fictitious character of John Doe and Richard Roe for the purposes of various actions are well known.

Thorough Service

Our discreetness and thorough dependability is vouched for by the people who have sought our professional services and advice.

WATER & LIGHT BOARD REPORTS NEW WORK

In Spite of Reduced Earnings in August a Large Amount of New Work was Concluded

PERMANENT IMPROVEMENTS

In Water Department Amounted to \$2,215.37. In Electric Department were \$703.74

The monthly report of the water and light board for August shows that in spite of the reduced earnings that month a large amount of new work was concluded.

The permanent improvements in the water department amounted to \$2,215.37, and in the electric department \$703.74, total \$2,919.11. Depreciation charged off for both water and electric systems totalled \$1,244.09.

The total value of electric system has been increased to \$79,533.80. On 12th street N. E., near Lum park, a new line has been built requiring 1850 feet of primary line and 1063 feet of secondary line.

Value of Water System Increased
The total value of the water system has been increased to \$484,769.64. A new 8-inch main was laid on North 4th street, from Main to Bluff; one block on Laurel street, in front of the new court house and county jail, to avoid tearing up concrete pavement in the future when this line is extended to the bridge; one block of small pipe on Maple street N. E., between 16th and 17th street. New service lines for house connections are being put in as fast as the work can be carried on and hydrants are reset wherever they were not set properly years ago with respect to corners or property lines.

New consumers are being added in large numbers. Amounts charged off for depreciation are being used to pay for new pipe used in replacing old lines and for new lines needed to produce better circulation of water.

The total operating expense in the water department was \$4,288.32 and in the light department \$3,965.91, of which sums about 10% was required to pay for electric current; \$1,427.98 was required for interest on bonds and \$1244.09 for depreciation.

During September a new line of 6-inch pipe was laid on Maple street N. E., and at present new 6-inch lines are being laid on Holly and North 6th streets, where a very unsatisfactory condition exists due to long and irregular service lines laid many years ago; this work will eliminate several blocks of poor kalamazoo pipe.

The board on Tuesday evening held its deferred meeting of September 26. All members were present, the session was short. Routine bills were allowed.

"MAHENDRA" AND HIS COMPANY

Musical and Dancing Artists Offer a Wonderful Entertainment Under Elks' Auspices

MAHENDRA WILL TELL YOU

Mental Suggestion, Spiritualism, Crystal Gazing Featured, by Man Who Took Duluth by Storm

"Mahendra" and his company of musical and dancing artists, appearing under Elks' auspices, offer a wonderful entertainment at the New Park theatre on Friday, October 6, with a matinee at 3 p. m. and two shows in the evening at 7 and 9 o'clock.

The program includes mental suggestion, spiritualism, crystal gazing, etc., coupled with beautiful scenery. "Mahendra", who took Duluth by storm, will tell you what you want to know. Address your queries to the Brainerd Dispatch, and they will be answered by Mahendra from the stage.

Here is one query asked of him: "When will the shop strike end?" Many more are of a personal nature.

SEWER BIDS TAKE UP COUNCIL TIME

Protests Voiced by Several Citizens Regarding Letting of Certain Contracts Named

NEW FILLING STATION SITE

Whiteley Avenue May be Improved, Committee on Lights to Report at Next Meeting

The city council held its regular first meeting of the month Monday night, all aldermen being present with the exception of President J. H. Strickler. Vice President H. F. Michael called the meeting to order and presided thereafter.

Asks For Funds
W. D. McKay, representing the Water and Light Board, appeared before the council and asked for assistance in the way of funds for the purchasing of water pipes to replace old mains. The matter was referred to the finance committee.

Sewer Bid Protests
W. A. M. Johnstone and A. C. Weber came before the meeting and protested the letting of the sewer contract in blocks 192 and 194 as made in the bid of the Sherlund Co., at \$2.59 per foot.

The bid of \$2. per foot without manholes, on lateral SD-1 in block 192 and lateral TD-1 in block 194, which bid was satisfactory to Messrs. Johnstone and Weber, was accepted, all members voting aye.

G. W. Northrup and W. B. Sewell appeared before the council objecting to the letting of the lateral sewer B10D4 at \$2.23 per foot, the bid of the Sherlund Co. The matter was laid over until the next meeting, by motion of the council.

A number of interested property owners requested that lateral sewer C12D4 be laid, and on motion the bid of Sherlund Co., was accepted at \$1.65 per foot.

Alderman Cameron, in behalf of property owners in Northeast Brainerd requested that lateral sewer ASD5 and APD5 be laid and on motion carried the bid of the Sherlund Co., for 1.92 and \$1.94 per foot, respectively, was accepted.

Asks to Install Filling Station

E. C. Bane made verbal request to install a filling station at the southwest corner of the intersection of 6th and Laurel streets. By common consent, the council postponed action until later in the week to allow the street committee to make an investigation and report, and also to get the sentiment of the citizens as to their wishes in the matter.

Firemen Equipment
The fire chief applied to the council for new rubber covers for the fire hose that is kept on the truck, and on motion carried, this matter was left with the purchasing committee with power to act.

A special committee to take up the matter of financing the general sewer with the Northern Pacific railway was appointed, and consists of

Aldermen Brusegaard, Quarnstrom and City Attorney Fullerton.

On motion \$1,500 was transferred from the emergency fund to the general fund, and \$1,000 from the emergency fund to the public service fund.

Whiteley Avenue
A motion was made to the effect that Whiteley avenue be put into shape for traffic and City Engineer Campbell was instructed to make estimates of the cost of same. It was also moved that the city engineer be instructed to secure prices on tile for use on Rosewood street ditch.

The committee on lights were requested to make their report at the next meeting.

Auditing Books
Alderman Brusegaard presented the matter of auditing the books of the city, and the matter was left to him to report at the next meeting.

On motion the assistance being given to Mrs. Brain is to be cut from \$40 per month to \$25.

A motion was made and carried that the estimate of Riches & Son on the general sewer, amounting to \$11,536, less 5% be allowed.

It was moved and carried that the line of Northern Pacific right-of-way on certain lots in the outskirts of the city be referred to the city attorney and city engineer, they to report at the next meeting.

Routine bills were allowed subject to the approval of the finance committee, and the meeting was adjourned until next Thursday evening, October 5th.

Casemore-Lightton
Before Judge J. L. Warner in Cupid's court Saturday was celebrated the wedding of Miss Blanche Laughton of Wright county and George A. Casemore of Morris county. No further details of the event were obtainable at this time. The Dispatch joins in extending best wishes and hearty congratulations.

ANOTHER SIXTEEN PAID \$2 FINES

Police Department Continues Its Campaign Enforcing Tail Light Traffic Ordinance

2 SQUADS OF COPS WORKING

Shift Around, on Tuesday Were in Northeast Brainerd and the Business Section

The Brainerd police department was out with its dragnet again on Tuesday evening, and as a result, sixteen offenders were brought before Judge J. H. Warner in the municipal court Wednesday morning, charged with driving after dark without tail lights burning on their automobiles.

The names of the sixteen follow: A. E. Smith, Henry Thorsen, William Gaboury, Jacob Bemer, Harold Peterson, George L. Taage, Mrs. M. Korsmo, Victor Asher, O. E. Zettervall, Dr. G. I. E. deau, W. B. Kincaid, Charlie Peterson, A. E. Lunceford, James Temple, Crosby; Claud Melver, Ben dji; and a man giving his name as Carter, a transient in the city.

In each case a fine of \$2 was imposed and paid, with the exception of the last three named, who forfeited their bail of \$2 for non-appearance.

Two squads of police were working, one in Northeast Brainerd, and the other in the downtown district. The good work will be continued indefinitely, until this traffic ordinance, as well as others, are obeyed as they should be.

In municipal court Tuesday afternoon, W. J. Hall was found guilty of reckless driving and assault on S. P. Brown a farmer owning the former Charles Kunde farm. Mr. Hall was fined \$25 which he paid.

The Brainerd police department was out with its dragnet again on Tuesday evening, and as a result, sixteen offenders were brought before Judge J. H. Warner in the municipal court Wednesday morning, charged with driving after dark without tail lights burning on their automobiles.

The names of the sixteen follow: A. E. Smith, Henry Thomson, William Gaboury, Jacob Bemer, Harold Peterson, George L. Taege, Mrs. M. Korsmo, Victor Jasher, O. E. Zettervall, Dr. G. I. E. deau, W. B. Kincaid, Charles Peterson, A. E. Lunceford, James Temple, Crosby; Claud Melver, Ben dji; and a man giving his name as Carter, a transient in the city.

In each case a fine of \$2 was imposed and paid, with the exception of the last three named, who forfeited their bail of \$2 for non-appearance.

Two squads of police were working, one in Northeast Brainerd, and the other in the downtown district. The good work will be continued indefinitely, until this traffic ordinance, as well as others, are obeyed as they should be.

In municipal court Tuesday afternoon, W. J. Hall was found guilty of reckless driving and assault on S. F. Brown a farmer owning the former Charles Kunde farm. Mr. Hall was fined \$25 which he paid.

Cynical Idea.

The cynical bachelor seems to feel that all the modern girl can cook is his goose.—Asheville Times.

Beauty and Service In Your Gloves

Gloves are generally worn from the necessity of an adequate hand covering but this season the beauty of them will make an added incentive. Among our new ones are the following:

Beautiful fabric strap wrist silk lined cuffs, pretty stitchings at \$3.00 the pair.
Soft pliable strap wrist gloves for street wear. "Adler" quality. Brown or grey. \$3.95 the pair.
Strap wrist street gloves—"Adler" quality; soft and durable. \$2.95 the pair.
Mocha strap wrist gloves—brown or grey—a wonderfully fine soft glove \$5.00 the pair.
Short snap wrist gloves of fine cape quality. \$3.39 the pair.

Those who have worn the "Adler" gloves know what to expect of these qualities in both service and beauty.

FANNING WITH ARRELL

POLITICS IN DEMPSEY-WILLS MIXUP

By HENRY L. FARRELL
United Press Sports Editor

New York, Oct. 4.—Difficulty in getting Jack Dempsey and Harry Wills into the ring to settle the heavyweight championship question has been attributed to numerous causes.

It has been said that Dempsey is afraid of his colored challenger and that he wanted the bout delayed at least a year, with the idea that he would have a better chance to retain his title if Wills could be kept waiting until next summer.

However, it has been learned from the most reliable information that Dempsey was eager to give the colored man a chance this summer, but that he was prevented by the activities of Republican politicians.

The administration at Albany did not want the fight staged before election time, because the reform element would get up on its rear legs if the bout came and the liberal element would be just as provoked if any official obstacles were placed in the way, according to this story.

Jack Kearns wanted the fight staged in New York and when Wills submitted an official challenge, Kearns came immediately to New York to accept. Some hitches arose and the rumor was spread around that Governor Mills would not sanction a mixed bout.

This rumor had to be stopped, because of its effect on the colored voters of New York. At the last election, Mayor Hylan carried two big districts of the colored settlement and it was the first time that those districts had turned from the Republican party. To counteract the Democratic propaganda being used in the colored districts, Governor Miller then said that he had no objection to a fight between a white man and a colored man and that he hoped the better man would win.

Attention was then drawn by the Republican leaders that the party would be in danger up state, if the fight were staged before election and it would create dissension in the ranks in New York if the commission would not allow the bout to be staged.

The only way open was to throw some other obstacle in the way. The ideal way was to have it appear that Dempsey didn't want to fight. Kearns was sounded out and on the promise that he could have the fight in New York next summer, he agreed to take the role of holding the bag. Kearns figured that if the Republicans won he was sure of his position and if the liberal Democrats should win, he would be running no risk.

Kearns then let it be known that the champion wanted \$500,000 to fight and that he wasn't particular about fighting until next summer. He was severely criticized and the champion was accused of stalling for time and trying to cloud the real issue by talking of set-up fights with Greb, Willard, Brennan and Carpenter.

Finally the sharp tongues worked under the hide of Kearns and he said he was willing and ready to fight on two weeks' notice, but that no promoter had made him an offer.

That was a harmless statement until John O'Connor, the head of the club at the Polo Grounds, came through with an offer for the fight. The politicians were then up against it. The commission had forced Dempsey to sign an agreement, had unofficially given its approval for the mixed bout and a promoter was willing to stage the bout.

Kearns could do nothing more, but the commission then delivered another punch at the bout by naming impossible conditions. The chairman of the commission asked for an arena that would seat 100,000 and there will be nothing of that size in New York until next summer, when the new Yankee stadium will be available.

Another political stroke was made when the commission demanded 40,000 seats at \$2. The ward workers told the voters in the colored district that the commission and the governor knew they weren't making a lot of money and that they were all anxious to see the fight and they would make it their business to see that the poor colored man got to see that fight of all fights.

That ended the negotiations. No more offers were made for the fight. Kearns arranged to get Dempsey out of the country until the first of the year and the politicians are resting easy until after election.

The fight is sure to come off but it will not be until next July and the Yankee stadium probably will be the site.

Miss Dalton Bobs Hair

Dorothy Dalton had to cut a couple of inches off her hair which had al-

ready been bobbed to some extent, so that she could more easily make up for the role of "Moran" in George Mel-

ford's production for Paramount of Frank Norris' famous sea story, "Moran of the Lady Letty," showing at the Lyceum theatre today and Thursday. She dresses up as a sailor—the mate on her father's ship—in many scenes and the role is a primitive one, full of rough and tumble fighting and thrills. Rudolph Valentino plays the leading supporting role and Walter Long, famous screen villain, is an Eurasian mongrel and murderous captain of a smuggling ship. The support generally is excellent.

Tom Mix Coming in "Fighting Streak"

Patrons of the Lyceum theatre will see Tom Mix, that versatile William Fox star, in another new role in "The Fighting Streak," a new picture which opens here next Friday. In this picture Mix plays the part of a western blacksmith. And some surprises are in store for those who think he can do little else than ride a horse or look handsome in a dress suit.

McGRAW DEPENDS ON THESE PITCHERS FOR WORLD'S SERIES

DENVER 'FLIVVERER' HOLDS RECORD FOR TRAVEL TREADMILL

Denver, Oct. 3.—If there's such a thing as an auto travel treadmill, John E. Hayes of Denver is the champion globe flivverer. In ten years he has driven 550,000 miles without leaving Colorado. The distance traveled would have taken him twenty-two times around the world.

His ramblings—or rattlings—have been within a comparatively small radius of Denver, following the ditch system in his capacity as chief engineer of the Farmers' Reservoir and Irrigation company. His diary shows that he averaged 150 miles a day, and that the greatest distance for a single day was 326 miles.

Of the entire distance, 375,000 miles were recorded in the same automobile. Some flivver-mill, eh what?

EIGHT SHIPS ARE TIED UP BY SEAMEN'S STRIKE

(By United Press.)
Chicago, Oct. 4.—Eight ships are tied up by the Lake Seamen's strike, officials of the seamen's union declared today.

Three of these are docked at Chicago, and five at Cleveland.

Union representatives said the strike was called because the Association violated the LaFollette seamen's law by sending out vessels with less than sixty-five per cent of the crew certified skilled seamen.

Wealthy Woman Arrested For Disorderly Conduct

(By United Press.)
Chicago, Oct. 4.—A phantom ghost nemesis of a Chilton Ave. residence today caused a family quarrel and the arrest of Mrs. Lillian Maloney. Miss Maloney and her sister, Margaret, daughters of a wealthy retired contractor, came to blows at Lillian's home when each accused the other's husband of "playing ghost." Lillian struck Margaret, flooring her. Margaret had her arrested on a disorderly conduct charge.

In a Thousand Years

(By United Press.)
London, Oct. 3.—Antiquaries in the next thousand years or so are going to have a treat when they come to explore the ruins of the Hedges and Butler building, just erected today on Regent street. Directors laid the following inside the foundation stone: Copies of the morning newspapers, eight bottles of vintage ports, a gold sovereign, a gold half sovereign, a five-pound note, one pound note and ten shilling note, price list of wines for 1922.

LAST FLAP TAKEN OUT OF FLAPPER

(By United Press.)
Chicago, Oct. 3.—The last flap was taken out of the flapper today.

What the skirt mongers did to the skirt skirts, the shoe scientists have done to the shoe and the galosh.

The newest in young ladies' footwear is the flapless galosh.

The latest footwear was brought out at the national foot exposition here. After many months of experiments, the shoe experts have decided on a non-flapable, non-droppable, innocent Persian lamb galosh.

The new galosh they add, is a cross between the old-fashioned rubber and the Russian boot, and it won't flap.

IMPERIAL WIZARD OF KU KLUX KLAN RESIGNS

Atlanta, Ga., Oct. 4.—Edward Young Clarke, acting imperial wizard of the Ku Klux Klan has resigned, the United Press was informed today.

IF BACK HURTS TAKE SALTS FOR KIDNEYS

Eat Less Meat if Kidneys Feel Like Lead or Bladder Bothers

Most folks forget that the kidneys like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also helps neutralize the acids in the urine so it no longer irritates, thus helping to relieve bladder disorders.

Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia water drink which everybody should take now and then to help keep their kidneys clean.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in trying to correct kidney trouble while it is only trouble.

AFTER SEVEN YEARS

Brainerd Testimony Remains Unshaken

Time is the best test of truth. Here is a Brainerd story that has stood the test of time. It is a story with a point which will come straight home to many of us.

Peter Abear, retired confectioner, 224 Laurel St., Brainerd, says: "I got in a bad condition due to kidney complaint. It hurt me to stoop or lie down and there was always an ache through my sides and hips. When I caught cold, the trouble became worse, but I used Doan's Kidney Pills and was soon relieved."

Mr. Abear gave the above statement October 28, 1913 and on August 19, 1921, he added: "I can always say a good word for Doan's Kidney Pills. Whenever I have used them they have always given me splendid results so I gladly confirm my former statement."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Abear had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Oxford Museum Founded 1679. The Ashmolean museum at Oxford was founded in 1679, and is the oldest in England.

Is Green No More

"My experience with your medicine has been wonderful. My stomach and liver trouble of five years standing took a new turn two years ago when I took on an olive green complexion. I spent \$1,200 with doctors and specialists only to prove that I was still as green as ever. A friend advised me to take Mayr's Wonderful Remedy, and I am green no more. My stomach and liver trouble has all disappeared." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Johnson's Pharmacy and leading druggists. Adv.

Sunburn and insect bites make you unhappy. MENTHOLATUM cools and soothes and gently heals.

SQUIRE EDGEATE—A Very Brief Argument

FANNING WITH ARRELL

POLITICS IN DEMPSEY-WILLS MIXUP

By HENRY L. FARRELL
United Press Sports Editor

New York, Oct. 4.—Difficulty in getting Jack Dempsey and Harry Wills into the ring to settle the heavyweight championship question has been attributed to numerous causes.

It has been said that Dempsey is afraid of his colored challenger and that he wanted the bout delayed at least a year, with the idea that he would have a better chance to retain his title if Wills could be kept waiting until next summer.

However, it has been learned from the most reliable information that Dempsey was eager to give the colored man a chance this summer, but that he was prevented by the activities of Republican politicians.

The administration at Albany did not want the fight staged before election time, because the reform element would get up on its rear legs if the bout came and the liberal element would be just as provoked if any official obstacles were placed in the way, according to this story.

Jack Kearns wanted the fight staged in New York and when Wills submitted an official challenge, Kearns came immediately to New York to accept. Some hitches arose and the rumor was spread around that Governor Mills would not sanction a mixed bout.

This rumor had to be stopped, because of its effect on the colored voters of New York. At the last election, Mayor Hylan carried two big districts of the colored settlement and it was the first time that those districts had turned from the Republican party. To counteract the Democratic propaganda being used in the colored districts, Governor Miller then said that he had no objection to a fight between a white man and a colored man and that he hoped the better man would win.

Attention was then drawn by the Republican leaders that the party would be in danger up state, if the fight were staged before election and it would create dissension in the ranks in New York if the commission would not allow the bout to be staged.

The only way open was to throw some other obstacle in the way. The ideal way was to have it appear that Dempsey didn't want to fight. Kearns was sounded out and on the promise that he could have the fight in New York next summer, he agreed to take the role of holding the bag. Kearns figured that if the Republicans won he was sure of his position and if the liberal Democrats should win, he would be running no risk.

Kearns then let it be known that the champion wanted \$500,000 to fight and that he wasn't particular about fighting until next summer. He was severely criticized and the champion was accused of stalling for time and trying to cloud the real issue by talking of set-up fights with Greb, Willard, Brennan and Carpenter.

Finally the sharp tongues worked under the hide of Kearns and he said he was willing and ready to fight on two weeks' notice, but that no promoter had made him an offer.

That was a harmless statement until John O'Connor, the head of the club at the Polo Grounds, came through with an offer for the fight. The politicians were then up against it. The commission had forced Dempsey to sign an agreement, had unofficially given its approval for the mixed bout and a promoter was willing to stage the bout.

Kearns could do nothing more, but the commission then delivered another punch at the bout by naming impossible conditions. The chairman of the commission asked for an arena that would seat 100,000 and there will be nothing of that size in New York until next summer, when the new Yankee stadium will be available.

Another political stroke was made when the commission demanded 40,000 seats at \$2. The ward workers told the voters in the colored district that the commission and the governor knew they weren't making a lot of money and that they were all anxious to see the fight and they would make it their business to see that the poor colored man got to see that fight of all fights.

That ended the negotiations. No more offers were made for the fight. Kearns arranged to get Dempsey out of the country until the first of the year and the politicians are resting easy until after election.

The fight is sure to come off but it will not be until next July and the Yankee stadium probably will be the site.

Miss Dalton Bobs Hair

Dorothy Dalton had to cut a couple of inches off her hair which had al-

ready been bobbed to some extent, so that she could more easily make up for the role of "Moran" in George Mel-

ford's production for Paramount of Frank Norris' famous sea story, "Moran of the Lady Letty," showing at the Lyceum theatre today and Thursday. She dresses up as a sailor—the mate on her father's ship—in many scenes and the role is a primitive one, full of rough and tumble fighting and thrills. Rudolph Valentino plays the leading supporting role and Walter Long, famous screen villain, is an Eurasian mongrel and murderous captain of a smuggling ship. The support generally is excellent.

Tom Mix Coming in "Fighting Streak"

Patrons of the Lyceum theatre will see Tom Mix, that versatile William Fox star, in another new role in "The Fighting Streak," a new picture which opens here next Friday. In this picture Mix plays the part of a western blacksmith. And some surprises are in store for those who think he can do little else than ride a horse or look handsome in a dress suit.

It also helps neutralize the acids in the urine so it no longer irritates, thus helping to relieve bladder disorders.

Jads Salts is harmless; inexpensive; makes a delightful effervescent lithia water drink which everybody should take now and then to help keep their kidneys clean.

A well-known local druggist says he sells lots of Jads Salts to folks who believe in trying to correct kidney trouble while it is only trouble.

AFTER SEVEN YEARS

Brainerd Testimony Remains Unshaken

Time is the best test of truth. Here is a Brainerd story that has stood the test of time. It is a story with a point which will come straight home to many of us.

Peter Abear, retired confectioner, 224 Laurel St., Brainerd, says: "I got in a bad condition due to kidney complaint. It hurt me to stoop or lie down and there was always an ache through my sides and hips. When I caught cold, the trouble became worse, but I used Doan's Kidney Pills and was soon relieved."

Mr. Abear gave the above statement October 28, 1913 and on August 19, 1921, he added: "I can always say a good word for Doan's Kidney Pills. Whenever I have used them they have always given me splendid results so I gladly confirm my former statement."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Abear had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Oxford Museum Founded 1679.
The Ashmolean museum at Oxford was founded in 1679, and is the oldest in England.

Is Green No More

"My experience with your medicine has been wonderful. My stomach and liver trouble of five years standing took a new turn two years ago when I took on an olive green complexion. I spent \$1,200 with doctors and specialists only to prove that I was still as green as ever. A friend advised me to take Mayr's Wonderful Remedy, and I am green no more. My stomach and liver trouble has all disappeared." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Johnson's Pharmacy and leading druggists. Adv.
